## 'Secret' report online

PULMAN'S VIEW EXCLUSIVE

By **ANDERS LARSSON**

[anders@indlenews.co.uk](mailto:anders@indlenews.co.uk)

EAST Devon District Council (EDDC) has refused a Freedom of Information Act request from a member of the public, who wanted a copy of a report.

But all is not lost as *Pulman's View* has decided to publish the controversial report online due to popular demand.

The EDDC Scrutiny and Overview Committee report — officially named Task and Finish Forum — Improving Ward Member Interaction With Planning Final Report September 2011 — appeared briefly on the EDDC website before being pulled off.

There is nothing on the report cover to indicate it is merely a draft, but EDDC top brass insist that it is.

The report slated aspects of EDDC's planning department and, among other things, revealed that planning officers don't routinely inspect completed developments to make sure they comply with approved plans.

It is understood this is because of a lack of resources, but the lack of routine inspections has created a fear of "a developers' charter" in some quarters.

The report also accused planners of keeping councillors out of the loop for delegated planning applications.

The aim of the report was to "materially improve the working relationship between elected members and officers of council".

But it appears to have had the opposite effect. Since the first story appeared on September 27th, *Pulman's View* has been inundated with phone calls and e-mails

from people interested in the report.

One person, Helen Newman of West Clyst, submitted a Freedom of Information Act request for the report to EDDC.

But her application was turned down and an EDDC officer wrote to her, saying: "This report was uploaded (in error) to our website whilst still in draft form. As soon as this error was identified, the draft report was withdrawn."

"The finished version will be presented to cabinet at their November meeting and will be published as part of the agenda for that meeting (and therefore publicly available)."

Helen was not impressed, and said: "It seems like they've got something to hide."

When asked to clarify if the draft version would be made publicly available at any stage, an EDDC spokesperson said: "The draft version of the report will not be made publicly available."

"Draft reports are not routinely put online and this one was uploaded in error before it was noticed. The draft report was then removed pending completion and the revised version will now be online before the meeting on November 30th."

After careful consideration and unprecedented demand, *Pulman's View* has decided to publish its copy of the controversial document online.

■ The report will be available from today at [www.axminster-today.co.uk](http://www.axminster-today.co.uk)

# LOLLIPOP A STEP CLOSER

## County sets up site talks

By **ANDERS LARSSON**

anders@indlenews.co.uk

**A PETITION** for a lollipop patrol in Axminster has generated a promising response from Devon County Council.

As previously reported, Axminster resident Clair Lawrence wants a lollipop lady/man to be deployed in Stoney Lane.

She feels that people approaching Stoney Lane via the footpath running alongside Axe Valley Community College's sports field risk being hit by cars when checking if it is safe to cross.

Devon County Council (DCC) has confirmed that the long-term plan is to remove part the hedge along Stoney Lane and create a footpath. But this could take some time to materialise, which is why Clair started a petition for the lollipop patrol.

She has received letters of support from Axminster Primary School and Axe Valley Community College — and she is expected to collect the petition from shops and schools this week before presenting it to DCC. The county council has confirmed that

it has not yet made a decision, and that a lollipop vacancy reported in another newspaper was for a different location.

A county council spokesman said: "We're aware of the schools' concerns and are in

discussion with the local county councillor.

"We plan to have a site meeting to discuss all the issues, and to involve the petition organiser, as soon as we've received the petition."

# Post office to open all hours?

**COLYTON** post office could soon be open from 7am until 10pm.

The Post Office has announced a proposal to relocate its branch in the town to the Wilkies convenience store in Market Place, which would enable it to open for the longer hours.

A public consultation has begun and a letter detailing the proposed service is available in Colyton Post Office. Everyone is encouraged to look at this and send comments to the Post Office by December 20th.

PO Ltd will announce its final plans after taking local views into account and if it decides to go ahead with the relocation the new post office would open some time in February.

Jane Dauncey and Dave Baxendale, on behalf of Save Colyton Post Office Group, said: "This is excellent news and we hope that people will support the plans. We thank PO Ltd for their hard work to find a solution for Colyton and we welcome Wilkies' involvement".

# Green school aims to get its own composter

**MEMBERS** of Colyton Grammar School's Green Society hope an ongoing project will result in the purchase of a composter.

Food-waste-only bins have been installed in the canteen, which allows society members to measure how efficient, or inefficient, the school is with its food waste.

They hope to use the data to highlight the need for a composter, which would massively decrease the estimated 3600 kg of food waste the school sends to landfill each year, which only feeds the seagulls.

The study is part of a series of initiatives at the school.

The last few years have seen the introduction of paper-only bins in every room in the school, the development of an eco-woodland reserve and numerous campaigns to encourage less energy consumption.

In an audit last year, students identified

that plastic bottles were a big part of the school's waste that went to landfill.

Now, in conjunction with waste contractor, Bottelman, the school is able to recycle all plastic bottles from the site.

However, until recently there was one area that they had not dared to venture into — food waste from the school's canteen.

Sixth Form Green Society member, Phillip Stoneman said: "The more we make people aware of how much they recycle and how little we currently reuse, the better for the future of Devon and the world."

Assistant headteacher Rex Stidwell leads the Green Society, and said: "As a school we are making excellent progress as a model of sustainability.

"With a vast increase in our solar array and now plastic bottle recycling we are making a serious dent on the impact we have on the planet, and of course educating and engaging our students in this vital topic."

## 190 new jobs at Tesco store

**SEATON'S new Tesco has created 190 new jobs.**

The company says a further 50 employees will transfer there from its other stores, bringing the total workforce to 240.

More than 850 people applied for jobs at the new Harbour Road store, which opens on Monday, November 21.

The store's recruitment team worked closely with the local JobCentre and set up a recruitment centre in Fore Street. Jobs were also advertised at other Tesco stores, and on the Tesco careers website.

The store has recruited eight long-term unemployed through a special scheme organised by the JobCentre Plus.

Store manager Ian Dyer said: "I have worked for Tesco for nearly 30 years starting as a produce assistant, and I am confident that many of our new members of staff will have an opportunity to progress in their careers at Tesco as I have done."

"All new team members are currently completing a series of training programmes."

"We are currently preparing for the launch of the store and look forward to playing an active role in the local community."

The store boasts environmentally friendly features.

It produces its own electricity using an on-site generator running on bio-fuels.

It also has a metering system to monitor energy usage.

As well as reducing its energy use, the store has other features designed to help the environment.

The store will be open from 6am to midnight, Monday to Saturday, and 10am to 4pm on Sundays.

# Carry on gagging

**AN Ottery St Mary councillor has sprung to the defence of fellow town council member Roger Giles, who was denied the opportunity to talk at East Devon District Council's Local Development Framework (LDF) panel meeting.**

Earlier this month the district council's LDF panel met to discuss the proposed plan for development in the region.

Independent councillor Mr Giles tried to voice his opinion over plans for development in Ottery St Mary but was denied the chance by panel chairman Mike Allen.

Now in her blog, [www.claire-wright.org](http://www.claire-wright.org), independent councillor Claire Wright said: "Three times Ottery St Mary representatives have attempted to address EDDC's LDF panel and three times their contributions have been cut to just a few minutes or refused altogether."

"Mr Allen claimed he had not authorised any debate on the villages in the Ottery parish, despite appearing to indicate via an email that this would be in order."

"Then Devon county and town Councillor Roger Giles was cut short in his representation to the panel —

**■ FURTHER to the recent LDF panel meeting claims Pulman's View has heard from another concerned member of the public that Axminster was denied a voice at the latest meeting on November 1st.**

Mr Paul Arnott, who is a member of the Save Our Parkland campaign, told this newspaper that he was not allowed to speak about Axminster after a last minute agenda change meant it had already been discussed before his arrival.

once at a meeting in October where a vote on housing numbers for Ottery St Mary was proposed and agreed without debate." Councillor Wright says in her blog.

"Chairman Mike Allen stood up and ordered him from the room and told Roger he would see him with the standards officer. It was pretty horrid to watch."

"Finally, at Tuesday's panel meeting, the last meeting prior to consultation, Councillor Allen refused to let him [Roger Giles] speak at all, blaming his complaints from the previous meeting for this undemocratic decision."

"When I tried to intervene, I was told that I should not argue. The implication was that I would be asked to leave the meeting if I persisted."

Councillor Roger Giles has now hit back at claims he was ejected from EDDC's LDF panel on three occasions.

He said: "I was disturbed to read Councillor Allen's response because I have no recollection of ever being ejected from a meeting at EDDC — LDF Panel or otherwise."

"Perhaps Councillor Allen might like to enlighten readers as to who exactly it was that 'ejected' me from meetings?"

An EDDC spokesperson said: "In order to keep a very long meeting to manageable proportions, some agenda items were moved or combined. This was a chairman's decision. As a result, consideration of the Key Changes to Local Plan Chapters was taken in the morning. During this session the panel considered each of the strategies set out in the draft Local Plan, including individual employment provision."

"Mr Arnott had not registered to speak prior to the meeting but phoned just before the lunch interval and an

"I wonder if he might be referring to a meeting of the LDF panel in February 2011, when I complained about the panel meeting taking place in private? If that is the case, I feel a certain amount of pride in helping to ensure future LDF panel meetings were held in the public domain; an end to the system of developers talking to the LDF panel in private about their plans for our communities."

"I wonder if he might also be referring to a meeting of the LDF panel on August 2nd in which he reduced Councillor Claire Wright to tears in front of a room full of people?"

"Perhaps he might also be referring to a meeting of the LDF Panel on October 4th when the future of Ottery St Mary was discussed? When he belatedly allowed me to respond to an inaccurate statement by an officer; and when he did not allow any debate following a proposal by Councillor Ray Bloxham."

"So, I believed I was justified in saying as I left the meeting that the consideration of the future of Ottery was 'disgraceful'. At which point Councillor Allen called me back to tell me that I had to leave the meeting."

officer outside of the meeting noted his request. By this time the Axminster chapter had been considered."

"The chairman was informed that Mr Arnott would be attending and he advised that Mr Arnott should be informed that the Chapter had already been considered. Unfortunately, we could not get hold of Mr Arnott to advise him of this."

"When Mr Arnott arrived, it was explained to him that Axminster had been considered and that the vote had been unanimous."

## Carnival took over £11,000

◆ REPRESENTATIVES of all organisations who received grants

**SEATON Carnival reported a small profit this year.**

The announcement was made at the carnival committee annual meeting on Wednesday, November 2nd in Seaton Town Hall.

Chairman and procession organiser June Millman, explained that it had been a very busy, but enjoyable year.

Financially, this year was an improvement on last year, achieved by an increase in income and an effort by the committee to reduce the running costs.

A statement issued after the annual meeting revealed that a total of £11,456.51 was raised.

This included street collection takings of £2,156.32.

After costs, a total of £1,659.60 was given to local charities.

During the annual meeting, donations were made to local organisations which had assisted the

carnival committee.

Donations were given to Seaton Club for the Visually Impaired, The British Legion, St John Ambulance, Seaton Brownies, Seaton Youth Football Club, Seaton Majorettes, Seaton Drama Group, Seaton Scouts Seaton Fire Brigade, Seaton Beavers, Seaton Guides, Mrs Bellini's Swimming Club, Police Compassionate Fund, Memory Club, and Seaton Cubs.

Seaton Carnival Committee also donated throughout the year to the refurbishment of the Jubilee town clock, the town bunting and Seaton in Bloom.

June Millman added that other charities are also welcome to apply for a donation in the future which will then be considered by the committee.

She also thanked everyone who helped, in various ways, to make the carnival so successful and enjoyable.

## On the march to halt abuse in the home

EAST and Mid-Devon Community Safety Partnership is about to stage its annual "noisy march" as part of the countywide Domestic Violence Awareness Week.

Previous marches have been held in Axminster (2009) and Seaton (2010), and this year's march will take place in Exmouth, starting from the town hall at 10am on Thursday, November 24th.

The intention is to raise awareness of the issues surrounding domestic violence and abuse.

Gerry Moore, of East and Mid-Devon Community Safety Partnership, said: "After the march there will be a series of short speeches at the town hall where the guest speaker will be the mayor of the town, Sandy Sutton.

"Persons from a local firm of solicitors and staff from Stop Abuse for Everyone, formerly Exeter Women's Aid, will be on hand to offer advice and assistance.

"Everybody from across the district is invited to join us on the march and attend the event at the town hall.

"Free light refreshments are being provided."

Leaflets and posters giving details of support for both men and women, who suffer from domestic abuse, are being widely distributed across east Devon by members of the partnership's domestic violence forum and other volunteers.

Literature will be available in a number of premises such as council offices, hospitals, health centres, GP surgeries, shops etc.

# HOW TO GET A COSY WINTER

## Banish the cold from your home with a scheme backed by every single local authority in Devon

**AS winter approaches many people, in particular the elderly and those on low incomes, are concerned about higher energy bills and keeping their homes and families warm at an affordable price.**

With the recent rise in the cost of living and the subsequent increasing amount of households in fuel poverty – defined as 'a household which needs to spend more than 10 percent of its income to heat the home to an adequate level' – it has now become a major issue.

The latest figures indicate that there are an estimated 84,000 households in Devon currently in fuel poverty, with over 10,000 of those being in east Devon.

This number is likely to rise, especially if we have as cold a winter as the two previous. Having loft and cavity wall insulation installed is one of the

most effective ways to improve the energy efficiency of a property, with a third of heat loss through the walls and a quarter through the roof in an uninsulated house.

Savings of around £390 a year can be made on energy bills if insulation is installed.

It is very cost-effective and will continue to pay for itself over and over again for years to come.

An insulated home will hold its heat for longer, making it more comfortable and you may also be able to put your heating on for less time, so saving you money.

CosyDevon is the only scheme to be backed by all 10 local authorities across the county, working with Devon County Council, Energy Action Devon, a Plymouth-based charity that promotes energy efficiency, and EON, one of the UK's leading energy companies.

It aims to help the people of Devon save energy and reduce

fuel costs and keep people warm and well in their homes by offering significant discounts on home insulation.

Many people, particularly those on low incomes or in receipt of qualifying benefits, may even qualify to have insulation installed free.

These offers are available to all homeowners and private tenants across Devon.

CosyDevon is an established scheme and to date, has installed insulation in almost 9,000 properties throughout Devon.

Insulation is installed by local, accredited professionals and it usually takes only a few hours. Any mess is cleared up before they leave so there is a minimum of inconvenience for you.

To find out more or arrange a free survey, call the Energy Saving Trust advice centre on 0800 512012 and ask about CosyDevon or visit the CosyDevon website at [www.cosydevon.co.uk](http://www.cosydevon.co.uk).

## Readers vote on review

A RECENT online poll on the *Pulman's View* website asked if readers agreed with the High Court ruling to grant a judicial review over houses due to be built at Cloakham Lawn following the Save Our Parkland campaign in Axminster.

There were over 500 votes cast. The result was not in favour of the judicial review with 97 percent of the voters answering no and only three per cent agreeing with the High Court decision.

# Teamwork is the key to school's progress

JOINING forces with another school is leading to the steady improvement of a primary school, an Ofsted inspector says.

The overall effectiveness of St Andrew's Primary School, Chardstock, remains "satisfactory" but lead inspector Anna Sketchley said the recent federation with Mrs Ethelston's Church of England Primary School in Uplyme was a step towards improvement.

The two-day inspection took place on October 12th and 13th, and the report has subsequently been published.

Various aspects of school life are marked on a scale from one to four, with one being the top mark and four the lowest.

In the overall effectiveness category, the Chardstock primary has been marked three (satisfactory) during inspections in 2006, 2009 and 2011.

This year's inspection report stated: "St Andrew's is a satisfactory school.

"Since the last inspection it has suffered from considerable disruption

but strong leadership, provided through the school's newly federated status with an outstanding school, is already leading to steady improvement."

The school had 61 pupils at the time of the inspection, and another part of the report stated: "Young children make a sound start in Reception, where a warm, calm and friendly environment gives them confidence and ensures they make satisfactory progress.

"However, resources for the children are rather worn and their organisation is rather haphazard.

"Teaching is satisfactory with some good features. Teachers have high expectations of behaviour, form excellent relationships with pupils and manage them very well.

"This supports pupils well in their learning.

"The federation partnership is enabling the school to take advantage of outstanding practices, particularly for the continuing professional development of teachers.

◆ Chardstock Primary School held an open day on Thursday, and some of the older pupils were on hand to show prospective parents around the school. Pictured at the school are parents Kathy Randolph, Emma Jackson, head teacher Andrea Rice and link governor Ann-Marie Dixon with pupils Harry, Zak and Naomi

"Despite the short time-frame, members of the new governing body are well organised and already know the strengths of the school and its areas for development.

"Many have supported the school through the federation process and are quickly becoming involved in the life of the school both at a strategic and operational level.

"They understand fully the importance of challenging the school's performance and are using their past experience to ask pertinent questions and carefully monitor the school's work."

The federation is formally named the Acorn Federation and the current headteacher is Andrea Rice.

Recent inspection reports indicate a history of uncertainty at the school, stating:

"Overall effectiveness 2006 — three

(satisfactory). Whilst the school provides a satisfactory education and sound value for money, it has declined since the last inspection.

"The school now has the capacity to improve following the arrival of a new permanent headteacher.

"Improvements are already evident in a renewed sense of purpose and direction, more use of performance data to identify underachievement and the creation of a school council.

"Overall effectiveness 2009 — Three (satisfactory): The vision of the headteacher and her determination to settle the school following a long period of uncertainty have led to a number of improvements since the last inspection."

Ofsted's marking system is as follows:

Grade One: Outstanding — These

features are highly effective. An outstanding school provides exceptionally well for all its pupils' needs.

Grade Two: Good — These are very positive features of a school. A school that is good is serving its pupils well.

Grade Three: Satisfactory — These features are of reasonable quality. A satisfactory school is providing adequately for its pupils.

Grade 4: Inadequate — These features are not of an acceptable standard. An inadequate school needs to make significant improvement in order to meet the needs of its pupils.

Ofsted inspectors will make further visits until it improves. The report is available in full online at [www.ofsted.gov.uk/filedownload?id=1845737&type=1&refer=0](http://www.ofsted.gov.uk/filedownload?id=1845737&type=1&refer=0).

◆ GLYNIS and Ron Taylor with the impressive array of trophies they have won in competitions all over the country with their pinks and carnations

# Flower power for Ron and Glynis

**A FLOWER-LOVING** couple from Ottery have enjoyed their best ever season on the show circuit.

The pinks and carnations of Ron and Glynis Taylor impressed judges at shows in Harrogate, Southport and Bakewell, to mention only a few.

Among their haul were a gold medal (pinks - individual championship) at Southport Flower Show and the Royal Horticultural Society's Banksian Medal, awarded at Bakewell.

The couple have attended shows for a number of years, and Ron said of this year's massive haul: "It's like a dream come true."

# Scouts learn to skin rabbits

**OTTERY** St Mary's recent carnival marked the end of a busy autumn for members of the town's Scouts.

Members applied a different approach for this year's carnival and won a bronze medal in the parade with their playing-card-themed costumes, entered as Joker in the Pack.

In previous years, each section has entered separately but leaders agreed that the whole group would enter as one this year.

Otterby Cub Scout leader Catrina Johnson explained: "All the Cubs put a lot of work into designing their costumes for the event."

Assistant Ottery Cub Scout leader Ben Rowland, who choreographed the parade, added: "We had 21 Beavers, Cubs and Scouts who took part in the carnival."

"The project started back in early

October when we set up a production line of kids and parents cutting out hearts, clubs, diamonds and spades for the 50 large cardboard playing cards.

"This year's carnival was seen by many as Ottery's most spectacular yet, so for the Cubs to take the lead role in representing the Ottery Scout Group was a great thrill for all the young people involved."

Another major autumn event for group members was the back-to-basics boot camp at the Sidmouth Scout site in late September.

Scout leader Chris Evans and his team supervised activities including tent and camp craft, camp-fire building and skinning rabbits before making rabbit stew.

Chris said: "For most of the Scouts, getting up close and personal with their dinner was a very new experience.

"By and large, they coped very well. Most of them seem to have survived the experience anyway, but I am not sure that we would have won any awards on Master Chef or anything like that."

And there is more excitement ahead. Although a long way off, the Ten Tors hiking and orienteering challenge is already looming and training for the Scouts and explorers aiming to form part of the final team has already begun in earnest.

Explorer leader John Green said: "After the success of last year's teams, the event seems to have really captured the interest of the young people and we have an opportunity to enter teams for the 35, 45 and 55-mile distances."

"The young people and adult helpers have already had a day walking over Woodbury Common, with further walks

planned every two weeks until Christmas to test the young people's stamina and endurance."

To keep up with the busy schedule, outside help had to be drafted in a while ago.

John explained: "Our kit stores were in a total mess, with tents and other kit all jumbled up and we needed someone to help us sort it."

"Fortunately one of our parents, Martin Shaw, who is also one of the local retained firemen, has volunteered to act as our new quarter master, but I am not sure which job requires greater acts of bravery, fighting fires or sorting out our kit."

If you are a young person wishing to join the group, or an adult who would like to consider volunteering, visit [www.otteryscoutsuk.org.uk](http://www.otteryscoutsuk.org.uk) for more information and contact details.

## Railways get set for freeze

SOUTH West Trains, which runs services through Axminster, Honiton and Feniton, and Network Rail have announced a package of winter preparation measures.

The move follows a joint review of the rail industry's experience of the past two winters.

Improved communication, contingency timetables and work to improve the reliability of trains in extreme conditions have also been put in place by South West Trains in response to feedback from passengers.

Some of the additional measures in place include:

- Heating of the conductor rail at key locations on the network
- A specially-built train to lay heated anti-icing fluid directly on the conductor rail
- Special weekday and weekend severe weather contingency timetables.

# Noddy awards bangers as best

**BUTCHER Complete Meats, which has outlets in Axminster, Honiton and Chard, has been named South West winner by rock legend Noddy Holder in a national competition.**

The firm won the award with its Ye Olde Pork Sausage. Winners were announced after British Sausage Week from October 31st to November 6th.

This year, the competition received hundreds of entries and Complete Meats won the regional heat to receive their much deserved Golden Sausage Disc and a place in the British Sausage Week Hall of Fame. Slade frontman Noddy led the

search to find Britain's legendary bangers. He toured the country to uncover that little bit of sparkle that makes for a special sausage.

Commenting on Complete Meats winning sausage, Noddy said: "Complete Meats' sausage was a real banger. The standard of entries was very high but the Ye Olde Sausage really stood out. It was delicious."

Shaun Vining, of Complete Meats, said: "It's a handmade recipe that I have worked hard to perfect. I am thrilled to have won today. All the hard work has paid off."

To celebrate British Sausage Week, independent butchers and supermarkets will be running events

and special offers so look out for special sausage themed menus in local pubs and restaurants.

For those looking to experiment with sausages at home, the British Sausage Appreciation Society has launched its new and exclusive recipe booklet, *Legendary British Bangers Greatest Hits Remixed*, which includes updates on classic sausage recipes, available to download at <http://www.britishsausageweek.com>.

When shopping for your sausages, don't forget to look out for quality assurance such as that identified by the Red Tractor Pork logo on the pack.

~ As chosen by Pulman's View ~

### Why we spoke out

**EDITOR - I've just seen the edition of the View from Ottery St Mary (Tuesday, October 18th). A few comments, if I may:**

Monitoring Sainsbury's is not part of any remit of Sustainable Ottery and calling us a campaigning group is not an adequate description of what we are about.

Our aims are to support the community of Ottery and surrounding villages to deal with the effects of climate change and dwindling resources and to make the town more self-reliant and self-sufficient in staples such as food and energy.

Obviously, a large supermarket in a small town will not be conducive to these aims, which was why we raised arguments against the store.

However, these, along with other concerns about the size of the store from various other bodies, were over-ruled by the EDDC.

We need to move forward and address all the other issues that concern Sustainable Ottery, such as transport, energy and local food. We are also concerned about pollution in Ottery and have raised the matter with the district council.

You may like to know that we are organising an energy event at November's Sustainable Ottery Community Market (Saturday, November 19th) where we will have lots of help and advice for people concerned about their energy bills, plus advice about people thinking about installing PV panels or a solar thermal system.

# Don't blame others - clear up your snow

**EDITOR - The Snow Plan feature on the front page of Pulman's View From Honiton (November 1st) prompted me to recall the state of Honiton's pavements last winter after the snowfall.**

Within hours of the snow falling and the low temperature the snow became compacted and then froze, making the town's pavements difficult and dangerous to negotiate.

With only one or two exceptions,

none of the shops made any attempt to clear away the frozen snow from outside their shops.

I spent 22 years in the Army, several of those years in West Germany and Berlin where winters are more severe than those in the UK.

By law, residents and shopkeepers have to clear away snow and ice in front of their homes or shops by 8am.

This means that all pavements in residential areas and town centres are clear of this hazard, making it much

safer for shoppers. Teutonic efficiency in action!

I think it's too bad this doesn't happen here. It takes only a few minutes with a brush and a handful of salt to clear the pavement outside your home or shop, making things so much safer.

If Honiton's shops want to attract shoppers this winter during snow and icy conditions, then may I suggest they take on the clearing of snow and ice from outside their shops and not

wait for the local authority to do it.

Stop blaming Tesco, Lidl and the charity shops for lack of customers and get busy with the brush.

## Thumbs-up to store

**EDITOR - We couldn't agree less with your correspondent (Nov 1st) about the new Sainsbury's store in Ottery.**

We are now able to access a branch by walking or by using the town bus service, instead of using up valuable (and expensive) petrol resources making a 25-mile round trip to the Sainsbury's in Whipton, Exeter.

The Ottery store has been tastefully designed to fit into our town. Recycled bricks have been used to repair the old boundary wall with a

new pedestrian crossing to Piccadilly Lane, which leads to the rest of the town shops.

We have an enlarged, free, car park, new toilets and even a bee hotel.

We have visited the store several times with no parking problems. The aisles are wide and we found the shelves well stocked.

We are delighted with it.

### Could we be related?

**EDITOR - On May 18th, 1836, the Orontes docked in Sydney after a hazardous voyage from England.**

John Shepperd, his wife Hannah and their five-year-old son, John George, stepped ashore to a new life Down Under.

Unfortunately, for generations to come, they also closed the book on the life they had left behind.

My great, great, great-grandfather John Shepperd was born on October 12th, 1806 in Ottery to John Thomas and Martha Shepperd.

His siblings were Maria, born December 26th, 1795, Thomas, born September 29th, 1797, James, born March 6th, 1800, William, born July 2nd, 1802, Richard, born June 17th, 1809 and Sarah, birthdate unknown.

John Shepperd married Hannah Kellan Ferris who was from the Exeter area. They worked in London where my great great-grandfather was born before arriving in Sydney in 1838. Somewhere on their journey, the spelling of the name Shepperd became Sheppard.

They moved to Ipswich in Queensland and opened a tailor shop. Not only did they start a new life in Australia, they helped build a new country.

Walking the streets of Ottery, I often wonder if the people I pass may be related to me. I have seen the name F Shepperd on the wall of the church so know the family was still in the area until recent times.

If anyone wants to contact me my email is [tomvicrory@yahoo.com](mailto:tomvicrory@yahoo.com) or my postal address 27a Herbert Street, Sadliers Crossing, 4305, Australia.

## Pulman's View from the churches

With NIGEL SPELLER

**THE Exeter Diocese recently held meetings across Devon to explain about the finances of the church and the fact that most money goes on the training, housing and pay of the clergy.**

Details from the meeting are now on the Honiton Deanery website at [www.honitondeanery.org.uk](http://www.honitondeanery.org.uk).

Those concerned with church fabric will be glad to know that pressure is being put on the Government to stop scrap metal merchants being able to pay for lead by cash. If all payments had to be made to a registered bank account, it would make life much more complicated and difficult for the thieves.

You can help by signing an e-petition at <http://submissions.epetitions.direct.gov.uk/petitions/406>.

The Prime Minister says faith leaders have a 'key role' to play in creating a "more responsible society". In an article for black church magazine Keep the Faith, David Cameron wrote about the need for a "greater sense of right and wrong". In the latest issue, which focuses on the summer riots, Mr Cameron said: "I think that faith has a role to play in mending the breakdown of responsibility in our country. For too long in our society we have been unwilling to talk about behaviour and morality".

In the same magazine, the Revd Ade Amooba of Christian Concern For Our Nation claimed that if the black Christian community was united it could have prevented the

riots, and the Revd David Shosanya urged churches to donate to youth organisations.

Christian Copyright Licensing International has updated its Guidance on the Copyright, Designs and Patents legislation. It is very complex. The business of music licensing is incredibly complicated. All churches that use music should check that they have the correct licence.

Christians should not be afraid to speak publicly about their faith, says Baroness Warsi, chairman of the Conservative Party. The Government wants 'to create a country where people don't feel that they have to leave religion at the door. It means encouraging people to say that their faith inspires what they do.' Lady Warsi said it was a mistake to compromise your identity.

Honiton Deanery Synod members from the thirty plus Anglican parishes in east Devon meet at Uplyme Church on Thursday, November 17th at 7.30pm. The main item will be parish news under the heading Fresh Expressions.

Refreshments from 7pm and non-members are welcome. Methodists at Honiton and thereabouts have welcomed their new Minister Jonathan Froggatt who will be living at Budleigh Salterton.

From Ottery St Mary Mission Community a forthcoming departure, when their Rector The Rev Simon Franklin, Rector since 1996 moves to Moretonhampstead and its five churches in the New Year.

# Artist Kevin unveils mysteries of design

**ARTIST and designer Kevin Dean was warmly welcomed by the members of the Seaton & District Art Society.**

The packed hall in the Methodist Church, Seaton, was the ideal venue for Kevin Dean's demonstration on "Dynamic Images in Mixed Media".

Kevin, an experienced teacher and lecturer, is famously known for his numerous book illustrations, wallpaper and textile designs, plus his architectural décor.

Among his largest works is a floral design for the 18,000sq-metre marble floor in the courtyard of The Grand Mosque in Abu Dhabi.

With the aid of digital technology Kevin explained how he can create exclusive designs for tableware and his extensive collection of contemporary wallpapers.

Fun was had by all when members and guests were handed sheets of paper and a pencil and told to copy drawings from pictures cut from various magazines.

The audience had three minutes and under to execute each drawing. The purpose of this exercise is to keep the pencil moving without checking up on the drawing itself.

Kevin demonstrated the many ways one can hold a pencil and the different effects this can have on the texture of a drawing.

After the tea break, Kevin went on to demonstrate mono print making in the home.

With a water-based ink, a rubber roller, a Perspex sheet and a thick glass sheet plus the pre-cut stencils Kevin made an enchanting print of a

◆ KEVIN Dean with an example of his work

church which, in a smaller version, could be made into a Christmas card.

The treasurer thanked Kevin for coming and members expressed their wish that he return some day in the future for another excellent demonstration.

There will be no monthly meeting in December as it is the society's annual meeting.

Barry Watkin will be kicking off the New Year with a demonstration

and talk on Reflections in Pastels. This will take place on January 9th at 2pm.

For non-members this will cost £3.

For anyone wishing to join the society the annual membership fee remains the same as this year – £15.

This entitles the member to 10 demonstrations throughout the year, plus membership to the Monday Club and entrance into the society's annual art exhibition in August.

## Great start to society year

**THE Axminster Horticultural Society held its first evening meeting of the winter season on October 19th.**

The speaker was David Baldock who gave a very colourful and interesting talk on the Gardens of Cornwall.

It started at Cotehele, famous for its spring gardens with a valley where the fish pond (stew pond) and dovecotes were a source of food for the house. The rhododendrons were magnificent. Onto Trebath with its magnificent views.

Next came Glendurgan with a maze. The Lost Garden of Heligan now definitely not lost but lovingly restored to its former glory with an Italian garden. This was followed by Trewithan, Lanhydrock, Mount Edgecombe, Anthony House and Trengainton Gardens where they have a Japanese garden with a tea house, a flying cloud tree, a Zen garden and beautiful raked gravel.

Caerhayes Castle owned by the Williams family renowned in the past for the many introductions by plant hunters and its national magnolia collection.

David Baldock finished with Trevanno Gardens with its bluebell valley, peacocks, primulas and a Victorian boathouse and finally Eden showing pictures taken when it was first being built up to the present day.

A great start to the horticultural calendar.

The next meeting takes place on Wednesday, November 16th at the United Reformed Church Hall, Chard Street, at 7.30pm with the annual meeting followed by a talk and slide show by Mary Benger entitled Development of Burrow Farm.

# Country house hotel wins coveted prize as UK's most romantic venue

COMBE House Devon at Gittisham, near Honiton, has won the coveted Condé Nast Johansens 2012 Award for Excellence in the Most Romantic Hotel category.

Combe House is a Grade I Elizabethan country manor, restaurant and gardens hidden deep within 3,500 acres on a Devon's country estate.

There are 16 light and airy bedrooms, each individually

furnished with small quirky touches.

Combe was acquired and refurbished by Ruth and Ken Hunt over 12 years ago.

They have also now restored the extensive Victorian kitchen

gardens, greenhouses and potting sheds.

The awards are based on responses from guest nomination forms and survey reports, plus the judgment of Johansens' regional inspectors who visit hotels

featured in their most recent guides.

The hotel was presented with its awards at a dinner on November 7th at the Mayfair Hotel in London.

## country scene

Written by countryside correspondent  
TONY JACKSON

## Call for cull: sparrowhawks

MY old friend Robin Page has never minced his words. A practical conservationist, a founder of the Countryside Restoration Trust and a man who understands the vital role played by field sports in the successful management of wildlife in the countryside, Robin's Country Diary in the Weekend Telegraph (November 5th edition) will have caused angst amongst conservation bodies and, in particular, the RSPB.

Briefly, Robin argues that it is high time some serious thought was given to a managed cull of certain raptors and corvids in order to provide some respite for beleaguered song and farmland birds.

The RSPB, when challenged, invariably falls back on the old, tired argument that predator and prey populations establish their own balance and while this may have been the case once, the fact is that garden birds, which were once common and taken for granted, are now disappearing at a frightening rate, while sparrowhawks and magpies, to name but two of the culprits, are surging in numbers.

Over the past 40 years, according to the British Trust for Ornithology's (BTO) Garden Bird Survey, blue tits have decreased by 42 per cent, house sparrows by 70 per cent and song thrushes by 75 per cent, while at the same time sparrowhawks, magpies, buzzards, ravens, crows, mink and grey squirrels are booming.

The statistics where sparrowhawks are concerned are alarming. It is estimated that the population is around 38,000 pairs, to which can be added a similar number of birds of the year to give an overall population of around 100,000. If each hawk takes only one bird a day this accounts for 35 million song and garden birds annually. Many, however, may kill two birds a day. Add to this the millions of birds destroyed by the 10 million domestic cats, the nestlings and eggs destroyed by magpies and squirrels and one begins to understand why our gardens and much of our farmland are growing increasingly silent.

One problem is that the RSPB appears to be fixated on raptors. Yes, they are magnificent in their flight and dramatic appearance; no one would deny the enthralling spectacle provided by a hunting peregrine, and doubtless these and other raptors are great crowd pleasers and help to line the coffers, but it would be nice to know that a more pragmatic approach to overall bird conservation and an understanding of the issues involved permeated the conservation bodies.

Hypocrisy, too, plays a part in their overall management strategies. As Robin points out, Natural England shot 47 foxes on its successful Holkham National Nature Reserve last summer, in order to preserve spoonbills and little terns, while at its Lakenheath Reserve in Suffolk, the RSPB accounted for 25 foxes to preserve bitterns, cranes, and marsh harriers. Fine, but don't try and pretend that predator control is unnecessary for fear that legacies and donations might dry up!

On a personal basis, as readers may recall I have been under siege from a pair of sparrowhawks for months. My garden birds now consist of a handful of sparrows, two hedge sparrows, a pair of wrens and the odd blue tit. No blackbirds, no thrushes, chaffinches, greenfinches, great tits or nuthatches.

Occasionally a few goldfinches appear and the odd collared dove and woodpigeon. In the field next to my office as I write five magpies, a dozen or more jackdaws and two crows are patrolling.

I am not suggesting, for one moment that there should be an open season on sparrowhawks but I do think some consideration should be given to a reduction in numbers under licence. As for magpies and grey squirrels, the more that are trapped and shot the better. Our countryside is under siege and the sooner some blinkered eyes are opened the better!

◆ PENNY Davis, of Axminster Library, with Sam Bevis and his Book Track certificate

## Well-read Sam collects award

AXMINSTER schoolboy Sam Bevis took just under 12 months to read 100 books as part of the Book Track scheme at the town's library.

Of the 100 hundred books, he felt that Jeanne Willis's Who's in the Loo? was the funniest of the lot.

Sam, aged six, visited Axminster Library on Thursday, November 3rd to be presented with his certificate and accompanying goody bag, which included vouchers for Pecorama, Archway Bookshop, Flamingo Pool and Escot plus other bits and pieces.

## Welding blaze

WELDING equipment caused a minor fire at a farm near Colyton on Saturday, November 5th.

Firefighters were summoned just after 3.20pm to the Kingsdon area, and a spokesman for the fire and rescue service said: "One appliance from Colyton was mobilised to a farm following a report of a fire in an outbuilding.

"On arrival the crew found there had been a small fire caused by welding equipment which was out before their arrival.

"The area was inspected to ensure all was safe."

## Cars in collision

A two-car accident happened at the junction of Chard Street and Victoria Square in Axminster at about 5.40pm on Friday, November 4th.

Police officers and ambulance personnel were called to the scene. One person complained of chest pains, but it was unclear if hospital treatment was required or not.

The cars involved were a silver Ford Focus and a red Ford Escort.

### OUT & ABOUT

● LOCAL children have been rehearsing hard for the Axminster Variety Xmas Show being held at the Guildhall on Saturday, December 10th. All profits this year will go to Axminster Primary School.

The show will offer a spectacular variety of music, song and dance with tributes to Michael Jackson and Amy Winehouse. The show culminates with the sensational Irish tap number Lord of the Dance, originally choreographed by the Irish-American dancer Michael Flatley, and including the entire cast.

The locally run Skye Dance School will be contributing presentations of ballet, tap and contemporary jazz with children from Axminster's Community Primary School and St Mary's Catholic Primary as well as those from nearby All Saint's Church of England School, Lyme's Woodroffe School, Chard's Holyrood School, Kilmington Primary and other local village schools.

Students of Seaton's singing coach Sarah Ryan will also be participating as well as the more mature students from the Axminster Tappers.

Choreographer and dance tutor Niclaire Skye, and dance assistant Sarah Leat, have been working hard with the children over the past few months and have put together a production that surely must not be missed.

Niclaire Skye said: "I am very proud of the way the children, some of them very young, have worked so incredibly hard, especially on the big production numbers Thriller and Lord of the Dance. I'm sure it will be a show to remember and an absolutely wonderful way to kick off the Christmas season."

The show runs from 5pm to 7pm on December 10th and tickets, priced at £6 for adults and £2 for children, are available from Axminster's Archway Bookshop in Church Street, on 01297 33744.

# Film shows Christmas is possible

### ARTHUR CHRISTMAS (U)

AS all intelligent children know, Santa Claus and his team of toy elves work tirelessly throughout the year from their secret base at the North Pole.

Then as the clocks strike midnight on December 24th, the great man takes to the skies in his sleigh, delivering presents to the entire world in the space of one night.

Thanks to satellite technology, we can even track his progress via the North American Aerospace Defence Command (NORAD) website.

A few Scrooges in the scientific community have cast doubt on Father Christmas's ability to bend the laws of time.

Thankfully, Aardman, the creator of Wallace and Gromit, puts these naysayers in their place and reveals the truth about Santa's 21st century operations in this hugely entertaining

computer-animated comedy that delivers a feast of family fun for the festive season.

Arthur Christmas is a treat for the very young and the young at heart, affirming all of the wholesome messages of the holiday season without lingering too long on the rampant materialism.

At the heart of the story, co-written by Peter Baynham and Sarah Smith, who also directs, is a kind and selfless young man who believes that every child is important at Christmas and that we are all responsible for keeping the magic alive.

Santa (voiced by Jim Broadbent) has been the figurehead of the Yuletide season for decades and he proudly oversees this year's delivery of presents in his hi-tech spacecraft, masterminded with military precision by eldest son Steve (Hugh Laurie).

Down in the bowels of the craft, youngest son Arthur (James McAvoy) excitedly answers correspondence from the children of the world,

including a young British girl called Gwen (Ramona Marquez).

A malfunction in the loading bay goes unnoticed by the elves in mission control and Gwen doesn't receive her pink bicycle.

With time running out until Gwen's Christmas is ruined, Arthur joins forces with Grandsanta (Bill Nighy) and wrapping elf Bryony (Ashley Jensen) to deliver Gwen's gift using

the old sleigh and a team of retired reindeers.

Arthur Christmas is festooned with loveable characters and belly laughs, from Laurie's pompous Santa-in-waiting to Nighy's old-timer who rejects all of these technological improvements to centuries of tradition.

"What happened to going down the chimney? Never did me any harm!",

he coughs and splutters.

Imelda Staunton lends her warm tones to Mrs Santa and Justin Bieber sings a suitably jolly rendition of Santa Claus Is Comin' To Town over the end credits.

With December 25th only a few weeks away now, Arthur Christmas is a wonderful early present, guaranteed to have the whole family bursting with festive spirit.

## Shogun to fire a new broadside

**MITSUBISHI'S new 2012 Shogun arrives in the UK this week.**

It now comes with a Euro V compliant turbo diesel engine and offers a choice of either three-door short-wheel base or five-door long-wheel base versions.

Like its predecessor, the Mitsubishi Shogun is immediately distinguished by its redesigned bold front grille – incorporating a short front overhang, upright windscreen, strong high flanks, flared wheel-arches and rear-mounted spare wheel, all key Shogun styling cues that underline its off-road

ability.

As well as the three and five-door options, Shogun buyers will have a choice of a four model line-up – the SG2, SG3, SG4 and the familiar Warrior which, in terms of specification will sit above the SG2.

As always, the Shogun comes packed with an array of standard safety and luxury equipment.

In addition to the redesigned front grille, all variants will benefit from new 18-inch alloy wheels.

Prices for the new model year Mitsubishi Shogun range from £29,499 for the entry level SG2

model and rise to £40,999 for the higher specification SG4 model.

● Luxury car companies are among the businesses to benefit from the near-£1 billion of grants announced by the Government.

Bentley, based at Crewe in Cheshire, said its £3 million grant would safeguard more than 200 jobs.

And another luxury car company, Lotus, based at Hethel in Norfolk, was also on the list of companies that had been successful in getting a Regional Growth Fund (RGF) grant.

Bentley said its grant would help

support the development of a new engine and would also create a small number of extra jobs within the company's 900-strong engineering department.

Bentley chairman and chief executive Wolfgang Durheimer said: "This is a real boost for Bentley."

"This grant will help safeguard our engineering operations as we look to develop new powertrains which appeal to new markets and new customers."

The latest grant, which follows an earlier £1.68 million RGF payment,

will mean Bentley is making plans to increase its graduate and apprentice intake next year.

Business Secretary Vince Cable said: "This is a very significant boost to local communities, and the RGF will help businesses like Bentley drive local growth."

The grants include help with the development of an engineering centre of excellence in Stafford for the development of power transmission products for electronics company Alstom Grid UK.

There was also support for the design of a new family of engines at

Jaguar Land Rover plants in Gaydon in Warwickshire and Whitley in Coventry.

Funding to reopen the Todmorden Curve will help provide a direct rail link between Burnley and Manchester.

Campaign for Better Transport's chief executive Stephen Joseph said: "By filling in this infamous missing link on the rail network, Burnley and other Lancashire towns will get much quicker services to Manchester, improving access for employment and helping address the deprivation in the area."

## Cricket's swarm all over the Darts with their 5-2 triumph

**OTTERY Cricket's ladies first team were on fire, with a well deserved 5-2 win against the team at the top of the Petroc 1 league, Dart.**

Ottery started the game positively and Karen Sutton soon scored, putting the opposition on the back foot, where they remained for the rest of the game.

Ottery dominated throughout the game, keeping the ball and making some brilliant runs from the midfield. A second goal came from a short corner, with Bobbie Caldwell powering the ball past a helpless goalkeeper.

The third came from Anna Bowker from close range, and at half time Cricket's were on top 3-1. The second half saw centre-forward Karen Dutton score two more goals to complete her third hat trick of the season so far.

Player of the match went to Meg Dudding for her great support from the defence. The ladies seconds also won their game 5-0 away at Torbay, a great result.

The men's first team celebrated their first home win of the season in a game that saw them score two in each half and play with commitment and determination against East Devon.

It was Archie Fraser's driving run down the right channel that opened up the visitors' defence for the prolific Mikey Bell to slot in the first at the near post.

Bell's second came when Cricket's' midfield put together a fluid passing move and he deflected the ball into the goal. Cricket's' third and fourth goals came from short corners, after sustained and controlled breaks into the opposition half.

### AXE VALLEY RUNNERS

## Liam back to fitness

**AFTER suffering a serious illness during the summer, Liam Roberts has gradually returned to fitness and this Saturday raced in the first Birmingham league fixture of this season - a 10.9km affair in Leamington.**

He finished in 53rd place from a field of 267 in 38.22, 40 places and 2.24 better than last year's race (which used the same course but was run in the opposite direction). The event was won by Ande Biniam, of Birchfield Harriers, in 34.46.

Things are hotting up in the AVR handicap series. November's races were the penultimate for the year and Max Bowskill won the junior event in 16.34, followed by Caitlin Bee, 17.10; Katie Coates, 18.43; Andrew Watson, 12.01 and Josh Coates 12.20.

It's tight at the top as Liam McLean is ahead with 149 points, Josh Coates second with 146 and Mollie Hansford third with 124.

Many of the early finishers in the senior race had not done enough races to qualify for a time, so congratulations to Kim Vine for winning in 31.52. Having Alan Kenworthy as a pacer may have helped a tad. Beth Sibley was second on 33.26; Teresa Coates third on 30.00; Kay d'Albertson fourth, on 29.54 and Clare Hansford fifth on 27.15.

Gill Day is the leader of the senior group with 155 points, Tim Sibley second (134), Steve Reynolds third (131) and Clare Hansford fourth (127). Look out for fireworks next month to sort out those minor placings.

### AXE CLIFF GOLF

## Standard Scratch beaten by four

**THIRTY-SEVEN members took part in the Seniors' November Medal.**

Despite the wet conditions, four players beat the Standard Scratch of the day with the leading two scoring net 69s.

The winner on countback was Peter Motson (28) with Tony Strong (9) having to settle for

second place.

Two further players had net 70s with Nick Stanton (23) claiming third place, once again on countback, with Derek Williamson (24) the player to miss out on the prizes.

There were three 2s, from Geoff Hubbard, Geoff Hughes and John Mant.

#### Main club

The winner of the November Medal (Division One) was Paul Curtin (10) with a net 69. In second place was Captain Paul Clode (8) with a nett 71 and in third place Theo Boalch (12) with a net 72.

The winner of Division Two was Gerry Binnmore (14) with a net 69, second Simon Sweetland (18) with a net

71 and in third place Anthony Chadwick (13) with a net 72. There was only one two, for Brian Board on the seventh.

The Ladies of Axe Cliff were saved from a whitewash by the Seniors when they played on the first cold day of the year. Hazel Williamson and Liz Wheeldon were the only ladies to win their match, competing for the Courtesy Trophy.

### HONITON GOLF

## Medal has the feel of winter

#### Sunday Medal

**IT certainly felt like winter in the Sunday Medal and the course was so soft underfoot that you soon learned any shot you took would stop dead as soon as it hit the ground.**

Couple this with a stiff breeze and the winning scores were pretty good, especially in Division Two, where Andy Wall finished with a net 68 to record the best score of the day ahead of Richard Townsend's 69 and Roy Tratt's 71. Division One was even tighter with Steve Waller's net 71 shading it on countback from Paul Blackmore, leaving Paul Hill third with a net 72.

#### Tuesday Mixed

A large field of members played in the Mixed Competition. The format was Ryesomes Stableford, giving this month's organisers, John and Jan Dickinson, plenty of work checking cards with scores so close for second, third and fourth places.

The winners with 35 points were Jennifer Pyle and Stan Squire. Second place went to Lady Vice Captain Jackie Seager and Mike Watts with 31 points on countback from third placed Andrea Squire and Richard Pyle, also on countback from fourth placed Jan Dickinson and Laurie Tollemache. In fifth place with 29 points were Jane Watts and Allan Seager.

#### Senior Section

A three ball better ball with a twist was the test for the Seniors recently.

With one shot to count on the par-fives, two shots to count on the par-fours and three shots to count on the par-threes, it certainly concentrated the mind on the short holes.

The early leaders in the clubhouse were the trio of Eric Short, John Discombe and Dave Morgan, with 79 points, ahead of Peter Shepherd, Malcolm Matthews and George Smith with 76.

This was short-lived, however, when Seniors' new boy Andy Sharland brought his team in also with 79 and a better back 9.

Victory was snatched from them however by the last trio in, Ron Graham, Paul Ritchie and Norman Ede, who despite being on the receiving end of the worst weather, squeezed home with 80 points.

How did they do it? An extra point on the par-threes.

Only three players were able to achieve a two, giving them an early Christmas present of 81 balls to share

# Axes' league return chops Dunkeswell down to size

### FOOTBALL

**FOLLOWING last week's win in the Intermediate Cup, Axmouth travelled to Dunkeswell knowing they needed a victory to keep up the momentum in the league, having seen their early season high placing slip to eighth as a result of cup involvement.**

They came away with all three points and a comprehensive 4-0 victory over the home side who struggled to make much impression.

The visitors enjoyed plenty of possession and took control early on with Jamie Hughes netting from the spot after Matt Ellis was sent tumbling in the eighth minute.

It should have been two just four minutes later as Ellis played in Asa Sandman but with just the keeper to beat his deft chip drifted just wide.

The let-off was only short-lived as Hughes turned provider sending over a perfect cross for Ellis to head powerfully into the corner to make it 2-0.

Within five minutes it was 3-0 as Ellis grabbed his second with a first-time finish from Joe Berry's lay-off.

It didn't look good for the home side, but to their credit they worked hard to stifle the rampant Axes, who then proceeded to miss a number of chances as Sandman, Charlie Clarke, Scott Dyer and Ellis all squandered opportunities. Clarke was again denied by the keeper in the last minute of the

first half.

Axmouth were even more impressive in possession after the break, but equally wasteful in front of goal.

The fourth goal came in the 55th minute as Berry again was the provider, this time for Sandman who wrong-footed the keeper from just inside the box.

With the home side rarely able to get out of their own half, Axmouth played some lovely football, creating more opportunities. But a combination of saves, the post and poor finishing saw the scoreline remain the same until the final whistle.

Manager Laurie Forino said afterwards: "I'm very happy with the win and the three points which is our priority.

"On another day we could have doubled the score but give credit to the Dunkeswell lads who worked really hard, having gone three down so early. We played plenty of good football today and hopefully can maintain our form which, considering we were promoted, we are really pleased with the way we have handled the upgrade.

"Our back line was really solid again today and all the lads were great but Matt Ellis stole the show for man-of-the-match honours."

Monday WI & Friends 297 Misfits (339) J Beckett (55) M Somers, S.

Bird (59).

Last year's wooden spoons, the WI

& Friends, faced the current champions The Misfits.

At the turnaround the Misfits were only just in front with an advantage of four pins.

However, the second half saw them conjure up some of last year's luck to win the game by a whopping 42 pins.

#### Thursday

Winklepickers (339) Angling Club(348) I Westlake(67) R Abbott (66).

The Winklepickers crossed the borders of Branscombe to take on the below-form Angling Club.

The Angling Club held on to their

second victory of the season with the aid of three spares from R Abbott, although the scores were closer than hoped, thanks to a sunshine and a bolted spare from A Gribble.

**Thursday** Sailing Club(319) BAFC(325) S Trewick(56) A Brewer(61)

On Thursday Captain Chris led his BAFC team to their sixth victory of the season, against the Sailing Club. The game eventually came down to the match's only spare by J Cobbold to set up a clash of the Titans next week when they face the Misfits to claim bragging rights for the season.

### HONITON HORNETS HOCKEY

**Honiton Hornets 5  
Ashmoor 2nds 0**

**THIS match proved to be a successful one for Honiton, who were playing at home to a mainly young, but very determined side.**

Although both teams were playing hard from the opening whistle, neither side seemed to be able to gain a lead until the 23rd minute of the first half

when Honiton's captain, Sophie George, slipped the ball into the circle where Becky Bond was waiting to put it decisively away.

This goal was followed shortly afterwards by another goal when excellent field play by the team sent the ball into the circle, enabling Becky Hammett to make a great strike, sending the ball once more to the backboard.

There were three goals scored in the second half as Honiton proved their superiority, even though the visitors did not give up in their efforts to contain their opposition.

Two penalty corners were rewarded with goals when Amy Phillips and Sophie George respectively put the ball over the goal line.

The third goal resulted from a quick pass to the halfway line from Jackie

Pinn to Lucy Le Coq, who then took the ball up the remainder of the pitch and into the circle and from there to the back of the net.

The final whistle blew shortly afterwards.

Player of the Match: Lucy Le Coq (with Becky Hammett right behind).

Practices continue to be held on Tuesday evenings at Cullumpton Sports Centre from 7 pm to 8.30 pm.

## HONITON NETBALL

## Flamingos flying high

WITH all the games in both divisions going with the form book, there were no changes to the status quo in either division, with Flamingos and Weather Girls holding on to their leads at the top of the tables.

## Division One

Wasps 19 Bo-Peeps 18; Flamingos 49 Hi Q 27; OPG 52 Updownman 14.

Flamingos continued their unbeaten run with their second victory of the season against Hi Q, who did well enough to pick up a point for their hard work.

Hi Q had trailed throughout the game and going into the final quarter, a point looked out of the question. But with Lizi Bennett in

attack refusing to give up they fought back from 14-40 behind to finish on the wrong end of the 49-27 score line, but having done enough to gain a point.

The player of the match was once again Rachel Burrows at WD.

OPG held on to second place, thanks to a comfortable 52-14 win over Updownman for whom Debbie Eveleigh played well, with Hannah Lee the OPG star.

Performance of the night went to Bo-Peeps, who have had a run of close defeats recently, but none closer than this one against Wasps.

It was tough on the Peeps, who led 6-4 at quarter time, 10-9 at halfway, and were then 15-13 ahead going

into the final quarter, only for Wasps to edge them out 19-18 at the final whistle. 1

It was a Williams game – with Sasha the Wasps star, and Poppy the Bo-Peeps starlet.

## Division Two

Tip Top Trees 37 NAS 21; Weather Girls 46 Sidmouth Toucans 15; Howden Hawks 41 JD Tyres 18.

Weather Girls continued their run of fine form with a convincing win over the hard-working Sidmouth Toucans.

The Girls led from the start and with Joanne Camp having a great game, they were just too strong for the Sidmouth side, for whom Helen Terry was the star. The Weather

Girls won 46-15.

Tip Top Trees and Howden Hawks picked up three points each to keep in the promotion hunt.

Hawks always had the measure of JD Tyres and with Jess McKinnon at GD for Hawks in imperious form they finished winners by 41-18 despite a plucky performance from JD with Amy Phillips once again showing great form.

3Ts were up against NAS, who are still searching for their first win of the campaign. With Heather Beviss doing sterling work in defence, they were the only losing side in Division Two to pick up a point from their 37-21 defeat. The Trees star was Dani Wakley at GA.

## HONITON JUNIOR RUGBY

## Honiton U12's 63

## Bridport U12's 7

BRIDPORT brought only eight players, so Honiton lent them some of theirs.

Having stood for a minute's silence, Honiton got straight down to the task in hand. All the tries were scored by Honiton players.

Harry Todd scored four, Sam Phillips two, Joseph Gibbs one, Joe Whitworth one and Jack Katene one. Conversions were kicked by Ben Phillips (four), Tom Young (three)

and Jack Katene (two). Bridport's only try was scored by Honiton player James Turner.

## Honiton Musketeers 19

## Bridport U11's 14

The Musketeers were presented with their new shirts, sponsored by Geraldine Coates Accounting, and AB Plumbing and Building. This spurred the boys into action and they found themselves 19-0 up at half-time. Tries came from Jacob Wright, Ryan Woollacott and Sam

Heathcote, who scored his first try for Honiton.

The second half saw Bridport scoring two converted tries, setting up a tense finale. Honiton's defence held firm, with great tackling from Oliver Goody and the rest of the team to seal the win. Man of the Match went to Daniel Phillips.

## Honiton U10s 2

## Exmouth U10s 4

Exmouth edged out a dogged Honiton in another close encounter

at Allhallows. The first half was an end-to-end affair of flowing rugby, both sides managing to score twice. Lewis Gleed and Elliot Plance touched down for the home team.

The second half proved to be as competitive as the first with both sides battling fiercely for supremacy.

Exmouth finally managed to exert a period of pressure in which they won the game with two well worked tries. Honiton's Player of the Match was Harry Shepherd for his courageous tackling.

### CARLSBERG SOUTH WEST PENINSULA

## Ottery lottery unlucky again

Carlsberg South West Peninsula  
League Division One (East)  
Ottery St Mary 1  
Totnes & Dartmouth 3

THE Otters must wonder what they have to do to get their first league win of the season.

For 65 minutes of this game, their 14th of the season, they had three points in their grasp thanks to Jake Allen's strike in the 15th minute.

Solid defending and a terrific battling spirit kept Totnes at bay until George Mariner struck that decisive equaliser and swung the game in favour of the visitors.

Two further goals were harsh on the home side but were good enough to earn Totnes three points.

Axminster Town 0  
Applodore 3

AXMINSTER again showed plenty of spirit and determination but when you are struggling it can be very difficult to translate that into points.

This defeat leaves Ray Self's side just two points above Ottery St Mary as he continues to try to find a formula to give the players hope for the second half of the season.

### FRESHA DEVON AND EXETER LEAGUE

# United return to winning ways with a 4-0 triumph

By KEVIN FAHEY

sport.pulmans@tindlenews.co.uk

**FOLLOWING** back-to-back defeats against unbeaten Newtown, Laurie Forino's Axmouth United returned to winning form in the league with a comprehensive 4-0 win over Dunkeswell.

Those two defeats, plus cup commitments, meant Axmouth had slipped to eighth in Division Five but this win lifted them back to fourth and back in touch with the promotion race.

"I'm very happy with the win and on another day we could have doubled the score," said Forino.

"We played plenty of good football today and hopefully we can

maintain our form. We are really pleased with the way we have handled the upgrade.

"All the lads were great but Matt Ellis stole the show for man of the match honours."

Axmouth raced into an early 3-0 with goals from Jamie Hughes (penalty) and two from Ellis, who had also won the penalty.

Asa Sandman wrapped up the points with the fourth after the break.

Also in Division Five, Beer Albion Reserves enjoyed a 3-0 win against Sampford Peverell.

Tom Videan's superb cross forced an own goal to open the scoring with a rare Adam Brewer header and a third from sub Callum Gribble completing the win.

"Charlie Clode and Josh Harrison also had terrific games," said manager Ross Moughton.

Only goal difference is keeping Awliscombe United off top spot in Division Six after a 4-1 win at Honiton Town Reserves.

Two goals from Pete Nelson and one apiece for Richard Pennant and Ben Gay did the damage.

"We don't normally win down there so we enjoyed that," said manager Martin Wilmington.

In Division One, Tipton St John

twice threw away a three-goal advantage as they were pegged back to 4-4 by Sidbury. A superb Adam Connott hat-trick in the opening 30 minutes put Dave Strawbridge's side in charge and while the home side got one back before the interval Ashley Small's excellent solo effort restored the advantage.

"But we have a young, inexperienced side and Sidbury, to their credit, fought back and equalised with eight minutes to go," said Strawbridge.

Penitons stay just ahead of Tipton after a 4-0 win over Beacon Knights with goals from Paul Dowling (two), Charlie Selley and Dan Lewis.

Tipton St John's Reserves

maintained their unbeaten record to stay top of Division Eight with a 3-0 win at Lapford Reserves with goals from Curtis Wincombe (penalty), Matt Daley and Nick Roberts.

In Division Two Honiton Town are still awaiting their first league win of the season after a 2-2 draw at Clyst Valley with Steve Rampaul and Darren Witt netting.

In the Premier Division Pedro Fontes scored twice and John Cooper added the third as Beer Albion cruised to a 3-0 win at Alphonington. Martin Adkin and Simon Smith also had goals disallowed for Beer.

### PERRY STREET LEAGUE

# Town stroll into last 16 of the cup

**JAMIE** Spurdle scored a brilliant hat-trick to help Crewkerne Town sweep into the last 16 of the Somerset Junior Cup with a 4-2 win over Bridgwater Sports.

"I am really happy with that performance and hopefully it will give us a lot of confidence for next weekend's Coronation Cup semi-final at Lyme Regis," said manager Nick Murphy.

"It was a very encouraging performance against an experienced team."

Ed Butcher wiped out Bridgwater's early lead but Town

picked up five yellow cards.

Also in the cup South Petherton beat Bath Spa University 5-2 with strikes from Dean Smith, Matt Corrick, Matt Tierney and two from Adam Bourne.

Meanwhile in the Dorset Intermediate Cup current Premier Division leaders Lyme Regis won 4-2 at Corfe Castle.

In the league Ilminster Town Reserves consolidated third place with a 3-1 win at Perry Street.

"We were well on top throughout," said manager Rob Sutton. Richard Kerwood scored twice and Brad Miles added the

third.

Millwey Rise went back to the top of Division One with a comfortable 3-1 win at Forton Rangers with prolific Sam Dibling scoring twice and Ben Turner adding the third.

Previous leaders Shepton Beauchamp were surprisingly held to a 2-2 draw by Lyme Regis Reserves, for whom Ryan Fifer and Aaron Marshall netted.

Third-placed Netherbury shaded a seven-goal thriller at home to Misterton thanks to an Ali Kamara hat-trick.

Chard Rangers are keeping up the pressure on Division Two leaders

Crewkerne Reserves with a 5-1 win over Hinton St George.

"We have played two more games than Crewkerne but we are still up there and I'd rather have the points on the board," said Chard boss Darren Murphy.

Chard's goals came from Mike Bagg, Scott Curtis, Wayne Long and two from Luke Chubb.

Millwey Rise Reserves bounced back from the 12-2 hammering from West & Middle Chinnock the previous week with a 9-2 thrashing of Drimpton in Division Three.

"I dropped half the side after that match and Saturday's win made up

for losing 12-2," said relieved manager Simon Flint.

Marc Jenkins and Danny Larcombe scored two apiece and there were also goals from Carl German, Keith Forsey, Jez Lyman, Levi Hoole and Tristan Wakeley.

Also in Division Three leaders Chard United were held to a 1-1 draw by struggling Forton Rangers Reserves. Cleofas France put Chard in the lead but Tom Bond earned a point for a battling Forton side.

Artur Jacaszek scored twice and Igor Costa added the third in Lusochard's 3-0 win over Shepton Beauchamp Reserves.

## Purples beat Blues

**MILLWEY** Rise FC's Under-10s teams, Purples and Blues, met for the second time.

The game was nip and tuck but Purples' Chris Watson scored twice to make it 2-0 at half time.

Blues' manager Brad-Lee Miller's half-time pep talk inspired them to quickly rattle in two goals by Zak Featherstone and Bradley Conway.

With time running out, Blues' Louis Rosling netted what looked like the winner.

But Watson then completed his hat-trick to level the score and with seconds left he scored again to take his tally to seven in the last two games and win the game for the Purples in a very entertaining game by both teams.

Millwey Rise Under-13s, who play in purple, battled to their first points of the season with a 2-1 win over Seaton Stars at Cloakham Lawn.

Three weeks ago Seaton defeated Millwey 10-1 at Seaton but this time Millwey were a match for Seaton and created chances. Ed Hallett sped through the Seaton defence to slot the ball past the advancing keeper.

After this it was end-to-end stuff and Seaton levelled with an own goal just before half time. Seaton pressured Millwey in the second half, but Hallett scored with a 25-yard strike over the keeper's head.

Seaton had a chance to level when awarded a penalty but it was superbly saved by keeper Jack Bennett.

## Offwell in comeback

**OFFWELL** Rangers second team played host to Langdon seconds.

The hosts had a wake-up call when within the first 20 minutes they found themselves 2-0 down.

Offwell rose to the challenge and settled into their play, and by half-time had fought hard to turn it around to 3-2 in their favour.

The second half started strongly and with a trademark Karl Allen strike

from the halfway line and a goal from Ollie Cramer, Offwell finished the game winners with a 5-2 goal line.

Although Karl Allen scored a hat-trick, man of the match went to Nigel Nidd for his hard work in defence.

Dane Spiller, second team manager, was highly delighted with his team's performance. "We fought hard and came out deserved victors. That's four league wins in a row," he said.

## Seaton's emphatic win keeps them at top of the league

Fresha Devon & Exeter League  
Premier Division  
Seaton Town 4 East Budleigh 1

SEATON Town manager Josh Stunnell reckons his players have the mental toughness to handle the pressure of being leaders of the Premier Division.

Not even a surprise early goal by East Budleigh's Si Tuley could dent Seaton's confidence as they hit back with two goals from Cameron Vere and one apiece from Josh French and Bed Ede to wrap up an emphatic victory and keep their three point gap over St Martins at

the top.

"We are a year wiser from last season and on the pitch we are playing just like that," said Stunnell.

"The boys will keep their feet on the ground because they know what is needed. It is important to beat the lesser sides like we did on Saturday.

"The games against the top teams take care of themselves but you if you are not switched on for the other matches then that is where you can get stupid draws or even lose the odd games like we did on one or two occasions last season.

"And if you do that then it can cost you."

While there are still 19 games

remaining, Stunnell believes that the contenders for the title have already been whittled down.

"I think it is a three-horse race between ourselves, St Martins and Newtown," added Stunnell.

"No-one from that top three has fallen away yet. We beat Newtown well but they have picked up so we take nothing for granted yet."

Pick of Saturday's goals was Seaton's fourth scored by Ede, a delightful chip from 10 yards that gave the keeper no chance. Vere also scored a sweet half-volley to equalise in the first half before Seaton took control of the match.
